Stanley C. Edmister
For District Judge

Stanley C. Edmister, one of the candidates for Dis-
trict Judge on the republican ticket, is one of the ablest
and best known lawyers in this part of the state. He has
long been a resident of this county and prior to his elec-
tion as county judge, practiced law with success in
Cleveland. He has represented this county in the state
legislature with credit and his term as county judge just
now concluding has been remarkable from the fact that
not a single appeal has ever been taken from a decision of
his. No higher compliment could possibly be paid a
judge, as it indicates that the accuracy of his decisions
has not been questioned, while the fact that a jury has
seldom been demanded by litigants shows the high es-
timate both lawyers and litigants have of his judgment
and fair mindedness. It is a well known fact that he
could have been re-elected county judge without oppo-
sition and the existence of such a condition is argument
that his talents are needed in a broader and more useful
field. Such a field, a place on the bench of the district
court of this district will afford him.

LETTER SHOWS WHY CLINE AND NORTH WERE REMOVED

Charged with executing the mili-
tary orders of the war department,
the local executive board of Tulsa,
of which Lewis Cline and Louis North
were members, both of whom are
now candidates for office in Tulsa
county, they failed to do as instructed
by their superiors, and were re-
moved for obstructing the draft.
This is the letter sent them by an
order officer in the adjutant gen-
eral's office.

Oklahoma City, Okla.,
July 4, 1918.
Tulsa, Okla.
Gentlemen: By order of the pres-
ident, you have been removed as
members of the Tulsa county board.
The war has been consolidated
with the city board.

You Can't Brush or Wash Out Dandruff

The only sure way to get rid of
dandruff is to remove it. Then you
destroy it entirely. To do this, you
must use a special dandruff
removal cream. It is not a wash,
but a cream that you rub into the
scalp. It is not a wash, but a cream
that you rub into the scalp. It is not
a wash, but a cream that you rub
into the scalp. It is not a wash, but
a cream that you rub into the scalp.

Do this tonight, and in morning
dandruff will be gone. It is not a
wash, but a cream that you rub
into the scalp. It is not a wash, but
a cream that you rub into the scalp.
It is not a wash, but a cream that
you rub into the scalp. It is not a
wash, but a cream that you rub
into the scalp. It is not a wash, but
a cream that you rub into the scalp.

PREPAREDNESS

This is the slogan of the wise man.
Stocks are continually exposed to
cuts, wounds, scratches, etc. The
man who is prepared has his healing
remedy on hand to stop all chances
of blood poisoning. Kerrie's Healing
Balm is highly Antiseptic. It is
economical. One 50c bottle makes
\$2.00 worth of healing oil or ointment.
Money refunded if you are not
satisfied.

MAN HUNT WILL BE NATION- WIDE FOR DESERTERS

OKLAHOMA CITY, Nov. 2.—The
Oklahoma state council of defense
will receive bi-weekly reports of de-
sertions and absences without leave
from the United States army as a
guide for county councils of defense
and citizens in general who are asked
to be on the lookout for these men
and report them promptly to offi-
cers of the law. The council of na-
tional defense, having offered
through the medium of defense bod-
ies to assist in the apprehension of
these deserters, the secretary of war
will utilize this assistance to the full-
est extent.

This report will contain full name,
rank and organization of soldier; the
soldier's home address; the status of
the soldier, i. e., absent without leave
or a desertion, and a list of
soldiers previously reported who
have been apprehended.

HERE IS DEMOCRACY IN ITS FULLEST MEANING

Well, said the captain of ar-
tillery as he stood watching three
Yankee boys play baseball in the Tu-
ller's gardens in Paris. "I guess that
if we came over here to make the
world safe for democracy, we have
finished the job and can go home."
The captain, pointing to the three ball
players, "one of those men is an
American soldier, one is a Y. M. C.
A. secretary and one is a darky from
an American stevedore's regiment.
The white soldier's father was killed
while fighting to free the slaves, the
"Y. M. C. A. secretary was a slave owner
and the darky's grandfather was a
slave. They are playing ball in the
garden of the house of the private
grounds of an emperor. If that
isn't democracy to the ninth power,
what do you call it?"
